

Colombo Annibale s.r.l.

SAGOME e PAVIMENTI in LEGNO

La Colombo Annibale srl. è, sin dalle sue origini, attenta al livello di qualità e al rapporto qualità-prezzo, binomio che è sempre importante considerare per essere competitivi sul mercato.

L'impegno, la costanza, la voglia di lavorare con passione, l'attenzione dedicata alla scelta dei materiali, la produzione interamente made in Italy di una gamma sempre più ampia di prodotti per soddisfare le più disparate esigenze: questo è l'obiettivo che ci prefiggiamo da sempre.

Oltre a ciò, è bene ricordare la precisione e la rapidità prestate nell'esecuzione degli ordini e delle consegne in modo da rispondere alle richieste di tutti i clienti.

Non da ultimo, la Colombo Annibale srl. è attenta alle problematiche ambientali infatti si è certificata FSC e utilizza così materiale proveniente da foreste gestite in modo sostenibile.

Grazie a tutto questo oggi possiamo garantire un conveniente grado di essiccazione e lavorazione dei profili, unita a una risposta immediata su problematiche e interrogativi che possano affiorare.

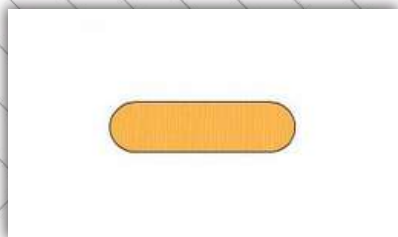

**Il marchio della gestione
forestale responsabile**
